Professional Summary

Junior UX/UI Designer with transferable skills from education and cross-cultural communication. I taught high school for two years before moving into UX. Teaching taught me the importance of listening to people to figure out what they actually need. I bring that same approach to digital products.

Education

Master in UX/UI Design (*Ongoing*)

Start2Impact Academy | Nov 2024 – Present

- UX Research, User Flows, Information Architecture, Wireframing, Prototyping, UI Design, Accessibility, HTML & CSS.

Bachelor's Degree in Intercultural Communication

Università degli Studi di Torino | 2019 – 2021

- Focus: cross-cultural communication, anthropology, linguistics.

Professional experience

High School Teacher & Programme Coordinator | VCO Formazione | Sep 2022 – Jul 2024

- Designed and delivered high school courses in Marketing and Italian, adapting content to different learning needs and making complex topics accessible.
- Planned and facilitated over 35 career guidance workshops, continuously refining activities based on participant feedback.
- Coordinated a 240-hour training programme, managing communication between students, trainers and administrative staff while delivering introductory IT and career guidance sessions.
- Designed personalised learning pathways for students with special educational needs, developing a strong user-centred approach to problem solving.

Social Media Manager | Restaurant Vecchia Dogana | Jun 2022 – Dec 2023

- Managed social media communication and audience engagement strategies
- Created digital content aligned with business objectives and user interests

UX Design Projects

iVegan | End-to-End UX Redesign

Portfolio Project – Start2Impact Academy

- Conducted UX research through heuristic evaluation, competitor analysis and user journey mapping.
- Designed user flows, wireframes, high-fidelity interfaces and interactive prototypes in Figma.
- Planned and analysed usability testing using the First Click Test methodology to validate and improve design decisions.

Science Magazine | Visual Identity & Social Design

Portfolio Project – Start2Impact Academy

- Developed the visual identity for a science communication magazine, defining colour palette and visual language.
- Designed social media assets to ensure consistency, clarity and brand recognition across digital channels.
